Title:

## LUMBERMEN'S UNDERWRITING ALLIANCE

### LUA Notice and Offer of Terrorism Coverage

The Terrorism Risk Insurance Act as amended in 2007 establishes a program within the Department of the Treasury, under which the federal government shares, with the insurance industry, the risk of loss from future terrorist attacks. The Act applies when the Secretary of the Treasury certifies that an event meets the definition of an act of terrorism. The Act provides that, to be certified, an act of terrorism must be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the government or population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

In accordance with the Terrorism Risk Insurance Act, we are required to offer you coverage for losses resulting from an act of terrorism that is certified under the federal program as an act of terrorism. The policy's other provisions will still apply to such an act. Your decision is needed on this question: Do you choose to pay the premium for terrorism coverage stated in this offer of coverage, or do you reject the offer of coverage and not pay the premium? You may accept or reject this offer.

See the section of this Notice titled Disclosure Of Premium and Election of Coverage. If you choose to accept this offer of coverage, your premium will include the additional premium for terrorism as stated in the disclosure. The premium charged for this coverage does not include any charges for the portion of the loss that may be covered by the Federal Government.

Please note that in some states, a terrorism exclusion makes an exception for (and thereby provides coverage for) fire losses resulting from an act of terrorism. Therefore, if you reject the offer of terrorism coverage, that rejection does not apply to fire losses resulting from an act of terrorism in those states --- coverage for such fire losses will be provided in your policy (if this is a renewal policy: will continue to be provided in your policy). The additional premium just for such fire coverage is separately stated in the disclosure. If you reject the offer described above for terrorism coverage, this premium is due.

### **Disclosure of Federal Participation in Payment of Terrorism Losses**

The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share is 85% of that portion of the amount of such insured losses that exceeds the applicable insurer retention. There is a \$100 billion dollar cap that limits federal reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses in any one calendar year exceeds \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

### **Disclosure of Premium and Election of Coverage**

\_\_\_\_\_ I hereby **accept** the offer of terrorism coverage for an annual premium \$ \_\_\_\_\_. Please note that this amount is based on the most current information available to us on the date of this notice and could vary at policy issuance.

\_\_\_\_\_ I hereby **reject** the offer of terrorism coverage. The premium for terrorism (fire only) coverage is \$ \_\_\_\_\_.  
I understand that an exclusion for certain terrorism losses will be made part of this policy.
